

THE RUNNER

Written by Missionary Anna P. Marzett

IN FRONT OF ME
Was the finish line

BEHIND ME
Were the miles of victory
I had already won

ABOVE MY HEAD
Was determination

TO THE SIDE OF ME
Defeat

INSIDE OF ME
A WINNER THAT COULD NOT BE BEAT

FIVE DEMONS

Written by Julia Priestly

I was moving real fast
Didn't have time for the Lord
Just running free
When five demons came looking for me
I couldn't do anything but run and try to get free!

Ran through a red light
Didn't have time to stop
Cause the five demons were catching up with me
I ran straight into a dead end
With nowhere to go
That's when I heard the leader of the demons say, "We got her!"

I fell on my knees
Told them to come and get me
I was tired and weak with nowhere to go
Then I remembered something my praying Mama told me
I cried out, "Lord have mercy on me!"

I heard growling like someone was in pain
Then I noticed two of my demons were gone
With three still smiling at me
I cried out again, "Lord, have mercy on me!"
Two more of my demons disappeared
The leader of the demons looked at me and said,
"I leave you alone cause the man you know is too strong for me!"

So now when problems get too much for me to bear
I hold my hands up in the air and cry out,
"Lord have mercy on me!"
